City Offices to be Closed Thursday

Due to the ongoing weather system in the area and for the safety of City employees and citizens, Mayor Virg Bernero has announced that all City of Lansing offices, City Hall, including 54-A District Court, Community Centers and non-essential services will be closed on Thursday, February 25, 2016. Essential employees must report at their assigned times. All city employees should visit the city website at www.lansingmi.gov for information about reporting to work.

Road clearing efforts are ongoing. Local street plowing operations will begin as soon as major streets are cleared, but city residents are reminded that it takes several days to plow more than 440 miles of city streets after a major snow storm. Plowing operations on local streets follow the city's established plow routes. A link to the plow route map, and other winter maintenance information, can be viewed online at www.lansingmi.gov/snow_ice_information.

Updates on the city's snow clearing operations are also available via the city's Nixle text messaging service. Citizens can sign up for Nixle updates by visiting www.nixle.com and subscribing to Lansing Public Service.

Additional resources:

- Citizens who need assistance or guidance during this event are encouraged to call 211.
- To report a power outage to Lansing Board of Water and Light, visit www.lbwl.com/outagecenter.
- Sign-up to receive Nixle updates regarding snow street maintenance and plowing updates from the Lansing Public Service Department at local.nixle.com/lansing-public-service/.
- Additional updates can be found on the City of Lansing's [website](#), [Facebook](#) and [Twitter](#).
- For more information about being prepared for an emergency, visit www.Do1Thing.com.
